

Mission Cool Off Contractor Form

Nominate a Worthy Homeowner for a Mission Cool Off A/C

Can you help us find a candidate?

Mission Cool Off has a problem. How do you find the needy? Most of the families we are looking for do not have the internet, or read the paper, or watch the TV news. These homeowners miss all our invitations to participate. Can you help us find these homeowners?

Mission Cool Off:

- ✓ Mission Cool Off selections will be made depending on a person or family's special needs.
- ✓ Mission Cool Off is NOT open to Tenants, Landlords, and Owners who do not reside at the residence or to mobile home owners.
- ✓ The homeowner must not own other properties and must be able to qualify as low income.
- ✓ The homeowner will be required to complete a Mission Cool Off application which will be submitted and verified for eligibility by the Nevada State Contractors Board staff.
